

Policy Impacts

Value of Using SB 912 Approach

Renewed Environmental Focus on Sewer Collection System and MS4 Assets

-EPA Enforcement Initiatives for 2017-19

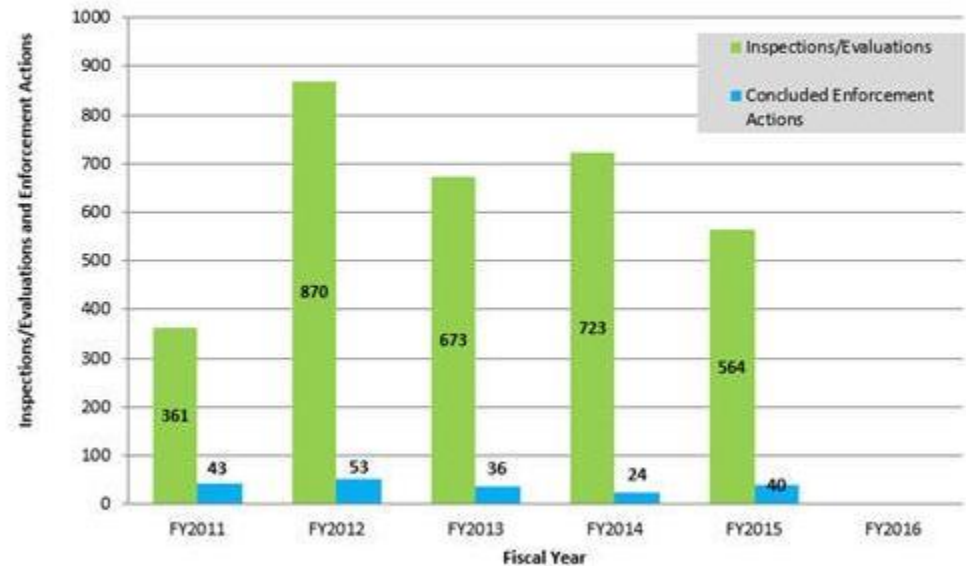

-Wastewater/Stormwater Enforcement

-Examples

-”Next Gen Compliance” and impacts

-Tools available

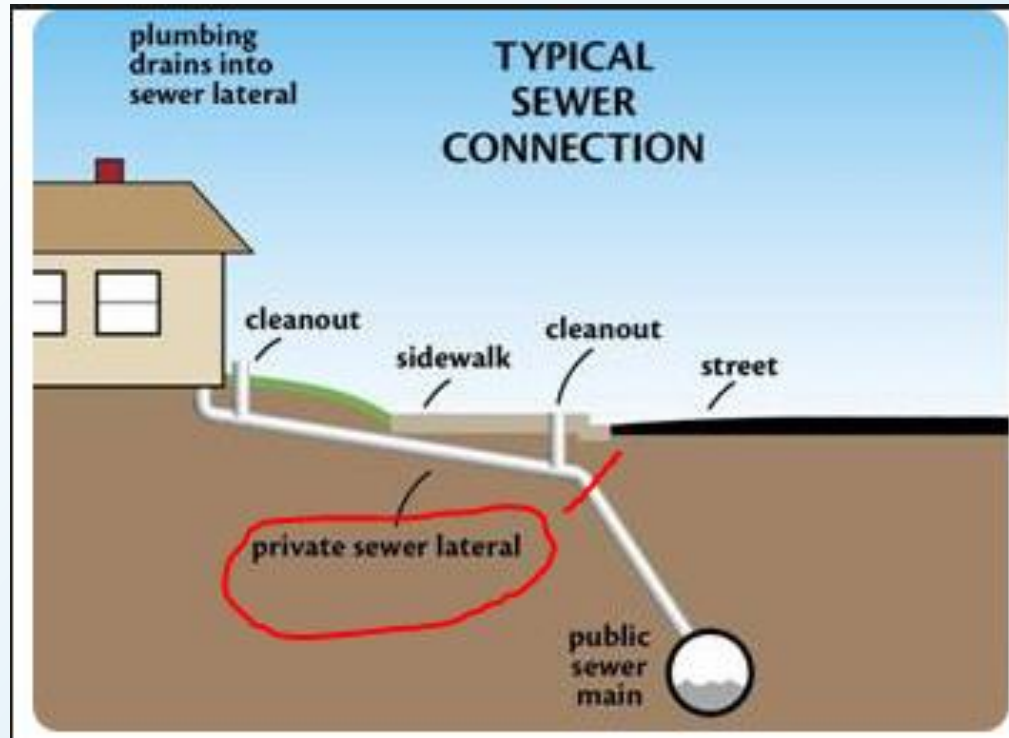

Annual Number of EPA Energy Extraction Inspections/Evaluations and Concluded Enforcement Actions

*Numbers include federal inspections/evaluations and concluded enforcement actions.

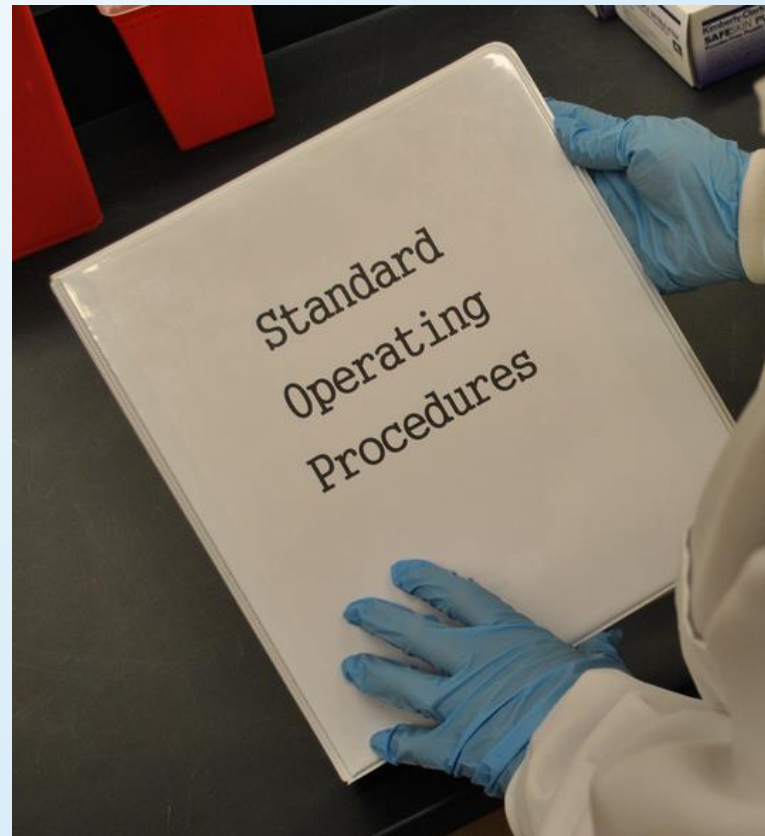

Private Spills vs. Utility-caused Spills occurring on Private Property

Documenting Best Practices (beyond monthly SSO report)

-Reporting regime only as helpful as underlying program running system.

-CMOM/SSORP/FOG practices

Nationwide Enforcement Trends (and what that means for Texas)
