

## ENVIRONMENTAL LAW ASSOCIATE ATTORNEY

<b>Job Title:</b>	Environmental Law Associate Attorney
<b>Reports to:</b>	Managing Attorney and Practice Group Leaders
<b>FLSA Status:</b>	Exempt
<b>Full/Part Time:</b>	Full Time

### SUMMARY

The associate in this position, working under the general direction of the Managing Attorney, will perform highly responsible and cost-effective representation and client advocacy in the Firm's Air and Waste Practice Group. The associate will handle complex problems utilizing initiative, creativity, and sound professional judgment. The position may also include water utility regulatory practice, depending on qualifications.

### JOB RESPONSIBILITIES

- Assist public entities and private business clients in environmental matters before various state commissions, agencies, and the State Office of Administrative Hearings, including environmental permitting and environmental compliance matters
- Develop testimony and conduct discovery in environmental permitting and enforcement cases
- Develop contracts related to the transfer of environmental attributes
- Communicate with clients and the managing attorney to understand the client's concerns and provide sound legal advice
- Analyze, evaluate, synthesize, and research case law, statutes, regulations, and documents, impacting the firm's clients
- Apply proficient writing skills and thorough knowledge of pertinent legal research to develop comprehensive legal briefs and persuasive writings
- Communicate clearly and logically (both orally and in writing) with regulatory agencies and opposing counsel
- Work both independently and as a contributing team member

### JOB REQUIREMENTS

- Doctor of Jurisprudence (J.D.) from an accredited law school
- Licensed to practice law in the state of Texas or the ability to be licensed within six months
- Member in good standing with the State Bar of Texas if licensed
- Westlaw or Lexis Nexis experience

### PREFERRED QUALIFICATIONS

- Working knowledge or demonstrated interest in environmental law
- Working knowledge of discovery and civil procedure, the Texas Open Meetings Act, and/or the Texas Public Information Act
